

Summer Series of Science

Freshwater Science Tour on the Spirit of the Coorong

13 January 2026

8 - 11 AM

CLLMM Research Centre, 92 Barrage Rd, Goolwa

Join researchers on the Spirit of the Coorong to explore our freshwater ecosystems travelling beyond Clayton. There will be breakfast on board, lots of great information and a stop to stretch your legs and learn more on 'ground' about projects happening in the CLLMM region. Please bring your curiosity, water bottle, hats and sun protection. Cameras and binoculars welcome.

How to register:

Step 1) Choose your boat trip, freshwater OR saltwater. (Spots are limited to 1 trip per person)

Step 2) Head to www.cllmmresearchcentre.org to register.
